Plot The film begins with the story of a brahmin girl, Krishnaveni (Suryakantham), who suffers due to poverty. The God of death, Yama (Sivaji Ganesan), is pleased with her devotion and offers to take her place to the world of the dead. She accepts the offer and becomes a ghost. Yama then takes her to the afterlife, leaving her friends and relatives behind. Krishnaveni gets married to Satyavrata (Giri Babu), a rich man who is an evil person. He has an ugly wife, Usha (Vijaya Nirmala), and an ugly daughter, Aparna (Jamuna). Aparna later becomes friends with the spirit of Krishnaveni, which adds to her misery. Satyavrata later dies and is reborn as a brahmin named Satyamurti (Kota Srinivasa Rao), who becomes the friend of Krishnaveni. However, the god of death, Yama, prevents Krishnaveni from accompanying Satyamurti to the world of the living. Krishnaveni is saddened by this. After 10 years, she returns to earth as a young girl (Kamala). She requests Yama to send her back to her home, but he promises to send her back only when she loses her desires for worldly pleasures and gives up her life. Yama then fulfills her wish, and Krishnaveni is reborn as Aparna. Satyamurti then gets married to his friend's daughter, Chitrangada (Kovai Sarala). Although this is a bad marriage, Satyamurti loves his wife and treats her like a goddess. He constantly sings praises about her. At home, he has a second daughter named Radha (Kamala Kumari). One day, Satyamurti's friend, Jaya (Kota Srinivasa Rao), arrives with his son. Satyamurti and Jaya meet each other 82157476af
