About This Game

Shadow Force is an action role-playing game with rogue-lite elements in dark universe.

Become a vigilante monster hunter who hunts and slay ancient and terrifying creatures. Break through the hordes of enemies and traps in a variety of procedurally generated levels. Find and equip a lot of weapons and tools that change gameplay experience. Improve your character and weapons to increase the chances of mission success.

Features:

- Room based random generated levels;
- Upgrade system that allow your characters become more powerful and unique;
 - Different builds based on equipped weapons and tools;
 - Many items, from usual knife to legendary artifacts and relics;
- There is no reason to fight alone, team up with your friends in co-op multiplayer.
